\* other NC inserts, see page 32, available on request.

## Tip

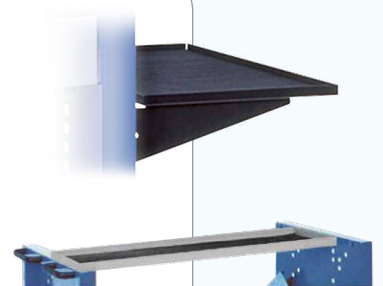

Simply combine a rollboy (page 20 – 21) with an NC table stand (page 32) to form a mobile NC trolley with drawers.

## Add-on elements for NC transport trolley

Optional

| Type                                                                                                | Art. no.          |
