

Containers and large cabinets

Width **1000** × depth **300** mm

Art. no. **85.746.502**

Container cabinet with 60 open-ended containers

Height mm	Container Number/Size	Art. no.
1950	60 × 4	85.746.+++

The open-ended containers available in different sizes, colours and types offer transparency and utilise the cabinet volume in the best possible way.

The containers are resistant to most oils, acids and alkalis, reduce noise when used on conveyors and when used properly are resistant to temperatures of -20°C to +100°C. Specification: polypropylene.

Usable area per drawer
0.30 m²

Width **1100** × depth **620** mm

Art. no. **85.835.501**
